Presenter sheet · 20 CRS sandbox personas

Do not show to judges. Expected outcomes from personas/map.json against fixtures in convex/fixtures/crs. Ask / income match the card.

ID	PERSONA (CRS LABEL)	ASK / INCOME	EXPECTED	FIELDS THAT DRIVE IT	SAY WHEN RESULT APPEARS
P01	**Margaret Okafor** APPROVE · Prime	$38,000 $95,000	**Approve (counteroffer likely)**	fico9 790 · vantage4 790 · util 8% · inq6 1 · id ok · fraud 11 · flags: none	All three lenders at the table, and the best rate is the one a person would pick.
P02	**Daniel Whitfield** APPROVE · Super-prime mortgage holder	$42,000 $105,000	**Approve (counteroffer at fintech cap)**	fico9 815 · vantage4 815 · util 4% · inq6 1 · id ok · fraud 9 · flags: none	Cleanest file in the deck. Watch fintech counter at its cap while the others match the ask.
P03	**Jasmine Reyes** REVIEW · Thin file / Gen Z	$3,500 $28,000	**Approve (2 of 3 lenders)**	fico9 660 · vantage4 660 · util 31% · inq6 1 · id ok · fraud 14 · flags: none	Thin file, not no file. Prime says no and cites the exact thresholds; the other two lend.
P04	**Tomas Lindqvist** NO_FILE · Credit invisible	$6,000 $42,000	**Decline (all three)**	fico9 none · vantage4 none · util n/a · inq6 0 · id ok · fraud 18 · flags: none	No bureau has a file on this person. The notice says so in plain English instead of a bare 'no'.
P05	**Ricky Dalton** DECLINE · Subprime	$4,000 $38,000	**Decline (all three)**	fico9 540 · vantage4 540 · util 95% · inq6 6 · id ok · fraud 52 · flags: none	Every lender declines, each citing its own reasons. Open the notice.
P06	**Angela Morrissey** REVIEW · Chapter 7 discharged	$9,000 $52,000	**Decline (all three)**	fico9 580 · vantage4 580 · util 20% · inq6 1 · id ok · fraud 12 · flags: bankruptcy	Past bankruptcy is on the file; the notice names it and the score threshold, nothing vague.
P07	**Marcus Bellamy** DECLINE · Chapter 13 active	$12,000 $58,000	**Decline (all three)**	fico9 560 · vantage4 560 · util 55% · inq6 0 · id ok · fraud 12 · flags: bankruptcy	A bankruptcy still in progress. All three decline and the reasons are checked against the data.
P08	**Priya Venkatesan** REVIEW · Tax lien and civil judgment	$15,000 $110,000	**Approve (cu + fintech; prime declines)**	fico9 690 · vantage4 690 · util 38% · inq6 1 · id ok · fraud 10 · flags: lien/judgment (not read by policy)	Public records exist on this file that no policy reads today. Known gap, see design/open.md.
P09	**Derek Holloway** DECLINE · Felony conviction	$14,000 $64,000	**Approve (cu + fintech; prime declines)**	fico9 700 · vantage4 700 · util 29% · inq6 1 · id ok · fraud 11 · flags: none	Criminal records are not pulled or used by policy, so this approves. Known gap, see design/open.md.
P10	**Lauren Kowalczyk** APPROVE · Old dismissed misdemeanor	$11,000 $68,000	**Approve (all three)**	fico9 720 · vantage4 720 · util 15% · inq6 1 · id ok · fraud 10 · flags: none	A decades-old minor record does not matter; all three lend.
P11	**Brandon Szabo** DECLINE · Eviction history	$5,000 $45,000	**Decline (all three)**	fico9 610 · vantage4 610 · util 72% · inq6 1 · id ok · fraud 11 · flags: eviction, lien/judgment (not read by policy)	Prior eviction judgment plus high utilization. Each lender declines on a named field.
P12	**Victor Anand** DECLINE · Identity mismatch	$20,000 $130,000	**Hard stop, zero offers**	fico9 none · vantage4 none · util n/a · inq6 0 · id FAIL · fraud 85 · flags: none	Stop. Identity does not match the file, so no lender is even asked. That is the design.
P13	**Kayla Brennan** DECLINE · Synthetic identity / fraud	$15,000 $60,000	**Hard stop, zero offers**	fico9 640 · vantage4 640 · util 12% · inq6 9 · id FAIL · fraud 88 · flags: none	Identity fails and fraud score is high. The desk refuses before any underwriter runs.
P14	**Harold Pettigrew** DECLINE · Deceased indicator	$12,000 $36,000	**Hard stop, zero offers**	fico9 none · vantage4 none · util n/a · inq6 0 · id FAIL · fraud 80 · flags: deceased	The SSN belongs to someone who has died. Zero offers, with an explanation a human can read.
P15	**Nicole Farragut** REVIEW · Security freeze at one bureau	$16,000 $85,000	**Hard stop, zero offers**	fico9 none · vantage4 740 · util 11% · inq6 0 · id ok · fraud 10 · flags: frozen	One bureau has a security freeze, which trips the hard stop even though the other two bureaus show a score. Known rule gap, see design/open.md.
P16	**Samuel Oyelaran** REVIEW · Fraud alert on file	$10,000 $78,000	**Approve (cu + fintech, step-up conditions)**	fico9 730 · vantage4 730 · util 24% · inq6 1 · id ok · fraud 50 · flags: fraudAlert	A fraud alert is on file, so approvals come with a step-up verification condition.
P17	**Elena Castellanos** REVIEW · Bureau divergence	$28,000 $70,000	**Approve (counteroffer likely)**	fico9 760 · vantage4 700 · util 14% · inq6 1 · id ok · fraud 11 · flags: none	Bureaus disagree: 760 at one, 700 at another. We show the one we used and where it came from.
P18	**Terrence Abernathy** REVIEW · Rebuilding	$9,000 $54,000	**Approve (fintech only)**	fico9 650 · vantage4 650 · util 33% · inq6 1 · id ok · fraud 12 · flags: none	Only the growth lender says yes. Same applicant, three policies, three answers.
P19	**Grace Nakamura** APPROVE · Small-business owner	$48,000 $120,000	**Approve (counteroffer likely)**	fico9 770 · vantage4 770 · util 12% · inq6 1 · id ok · fraud 9 · flags: none	Strong file, ask is 40% of income. Look for counteroffers rather than a flat yes.
P20	**Dolores Whitcomb** REVIEW · Retiree with stale file	$8,000 $31,000	**Decline (all three)**	fico9 none · vantage4 none · util 0% · inq6 0 · id ok · fraud 8 · flags: none	Clean history, but the bureaus return no score, so every policy declines. Known gap, see design/open.md.
